Members' Area Instructions
March 21, 2010

Welcome to the Members' Area. The Members' Area is for active members and consists of four parts.

- **CAHS Bagas-Skrifow, Member's Blog Area**
 - CAHS Bagas-Skrifow is a forum for sharing information about all things Cornwall. Members are encouraged to post essays and discussions about topics as diverse as genealogy, culture, history, politics, and more.
- **CAHS Members' Forum**
 - The CAHS Member's Forum is the perfect place for members to hold discussions on a variety of topics. In our seven categories, members can post comments, questions, Web links, and connect to share information with each other.
- **Photo Gallery**
 - Our Gallery provides members with an easy way to share images and write comments about them. The original image files are uploaded into the Gallery and they can be downloaded for printing or other uses.
- **Tam Kernewek, Newsletter Archive**
 - Current and past issues of Tam Kernewek are provided to members in Adobe Acrobat PDF format.

Logging in to the Members' Area:

Your User Name is your Last Name followed by your initials. This is taken from your Newsletter address label.

If you cannot logon, your User Name and initials may be the same as someone else, in that case you will need to send an email using the Contact Us page on the Cousinjack Website, explaining that you cannot logon.

Your Password is your member number. This is taken from your Newsletter address label.

Both are entered in lower case.

Your User Name and/or Password can be changed to anything you want it to be by sending your request via an email using the Contact Us page on the Cousinjack Website. (At times you may have to enter your Username and Password twice)

Logging in to the Members' Blog Area:

Pick Access CAHS Bagas-Skrifow enter your User Name and Password as above.

Important Information:

1. If this seems to be complicated, please remember we are using these free programs to provide Members with multiple ways to communicate. As the programs are free to use, they are not related in anyway, and each requires its own method of operation.
2. Any User Name and/or password can be changed by sending your request via an email using the Contact Us page on the Cousinjack Website.
3. All areas are monitored for content and inappropriate or offensive posts will be removed.
4. At times, your request for modification of your User Name, password and/or your content, may result in erasing of your entire blog, forum or photo area entries.
5. Please try each area and do not be afraid of making mistakes. Anything can be corrected.
6. If you need assistance with the operation of any area send an email request using the Contact Us page on the Cousinjack Website and you will receive a prompt response.
